If you are planning on arriving after 10pm, please contact the match director ahead of time for instructions on stalling your horse and camping.

Overnight camping is available on Friday and Saturday night. Primitive camping is allowed on the west side of the horse barn, but space is limited, as this is also the day parking area. The campgrounds with electrical hookups are located to the north, south and west of the arena. If you are camping, you must unload your horse at the stall barn before proceeding to the campground area. All horses on the grounds overnight must be stalled (per fairgrounds contract).

No horses are allowed in the campgrounds area or the Historical Society area of the Fairgrounds. Horses may only be in the area north of the arena and west of the pond, you may not ride your horse throughout the fairgrounds.

Shavings are not provided or available on the grounds, please bring your own or go next door to Fleet Farm to buy them.

All camping, parking, stalls, and any other area used by our event must be left in the same condition it was found when you leave. Garbage receptacles and manure dumping stations will be available.
