

2016 MMSA Move Up Buckle Information

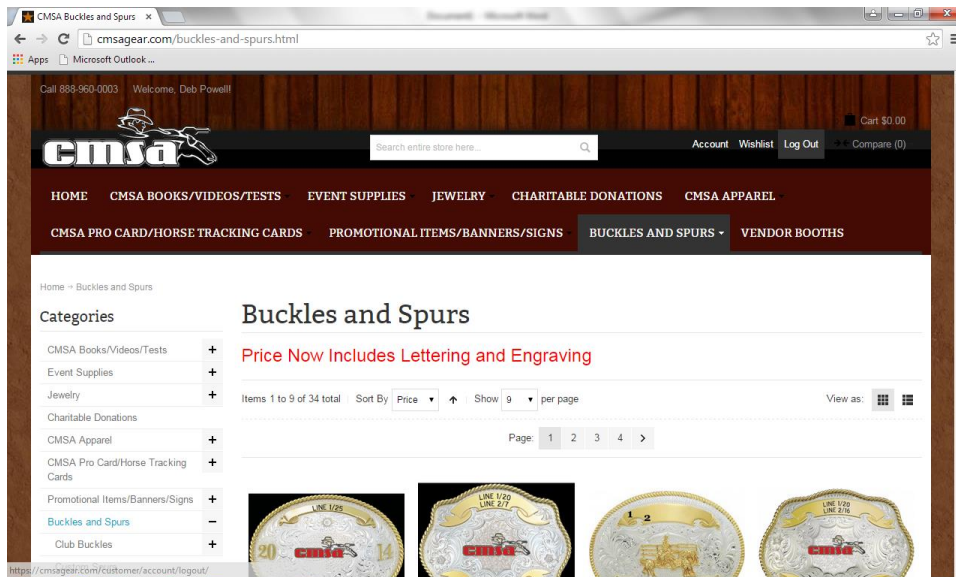

When a current MMSA club member receives a level win at a MMSA shoot (defined as a shoot that club points are being given at) and it is their move-up to the next level (per CMSA rules), that person will have a choice of a buckle \$125.00 value, or a cash award of \$100.00. The buckle must include your level, year, and either have the name of the shoot or MMSA. Member can then have whatever else they wish on the buckle. Member will be responsible for any cost of the buckle over \$125.00. Buckle orders must be placed through the designated club member, Tom Bamford, and within 6 months of the move-up win.

Buckles ordered directly by the member through CMSA or another vendor will not be paid for by the club. In this event, the member will be given the cash award of \$100.00.
